

The Art department is having a fundraiser to raise money for art supplies and some Artist-in-Residency programs. We have teamed up with a company called Original Works. They will reproduce your child's artwork onto a selection of over 20 quality products such as magnets, mugs, T-shirts, ceramic tiles, and mouse pads. Your child will create artwork in their art classes. You will have an opportunity to order whatever products you wish featuring your child's original artwork. Look for the complete program, product and pricing information around the middle of October. **The deadline for ordering is October 27, 2009.** These items make GREAT Christmas gifts! The orders will be back on December 9, 2009. You may go to www.originalworks.com for additional information. If you have any questions please give me a call at 763-1520.

Thanks,
June Allen
