

### Spanish Tutoring Sessions - New Schedule

If you are struggling in Spanish 3-5 and need some help, ask Senorita Hinestroza for a permission slip or pick up one from the main office. Spanish tutoring sessions take place in the Media Center on Mondays from 2: 40 to 3: 40 p.m.

### Hispanic Heritage Month

We welcome parents who have visited or lived in Spanish speaking countries to come to our classes and share your experience with us. Please email Srta. Hinestroza to schedule the most convenient time for you. We would love to see your pictures and any other cultural material you may have.
