JUMPBUNCH

JumpBunch is the NATIONAL LEADING mobile children's sports and fitness program and was founded by two of the nicest folks you'll ever meet—Tom and Kathy Bunchman. Their genuine love of children and enthusiasm for teaching is contagious, so you can be assured that JumpBunch will always have kids' best interests at heart and will never be "corporate." JumpBunch, Inc. takes great pride in their dedication to the enrichment of children's lives and we at JumpBunch of Charleston fully intend to extend that same dedication and enthusiasm to our schools and our students.

JumpBunch teaches kids at an early age the importance of living a healthy, active lifestyle. JumpBunch kids are more likely to be active as they get older and are less shy about trying new sports. JumpBunch sets the stage for a lifetime of healthy habits, which is so important as kids become more and more sedentary. Childhood obesity rates are on the rise and South Carolina has one of the highest rates in the nation.
